

28th Field Artillery Regiment Association 2022 Scholarship Winner: Josiah Fulk

Biography:

Josiah is currently a Freshman at Oregon Tech University where he is studying Mechanical Engineering.

He is a 2021 graduate of Eagle Point High School in Oregon where he was a high academic achiever and played on the Basketball Team. He is a reflection of the strong core values of his close-knit family. He is an avid outdoorsman who enjoys playing golf, skiing, hiking, camping and surfing on the Oregon Coast with his brother.

His parents place high value on education and development of well-rounded young men and women. Both parents are teachers in the Oregon School System.

Josiah is a community leader and practitioner of his faith. He is very active in his church youth program activities, where he is a mentor. He leads by example and serves as a counselor at church camps. Through his leadership and community service he has been a magnificent role model for others, especially his brother.

Josiah has always been analytical, self-directed and willing to work hard to achieve the goals he sets for himself. He has translated those values in shaping his future. Oregon does not have a State supported scholarship program for 4-year State Universities. To help pay for his education, he works on a survey crew in the summer and holds a part time job during the school year. This scholarship means a great deal to Josiah and he is proud to represent the 28th Field Artillery Regiment Association.
