

**Leah Beach** has been awarded a \$1000 scholarship grant from the 28th Field Artillery Regiment Association for the 2022-23 academic year. Leah is a graduating senior at St. John's School in Houston, TX, and will be attending the University of Chicago in the fall. She plans to double-major in applied mathematics and molecular engineering. Presenting the scholarship award to Leah is her father, Captain Dwight Beach III, who served in the 2/28th FA from 1984-87 as the A Battery FDO & XO and as the Battalion S-2. Leah's demonstrated record of academic and extracurricular achievement make her richly deserving of this scholarship grant, and the Association is happy to contribute to her continued educational success.
